### Two-Week Bootcamp

The BHEF Middle School Bootcamp is excited to offer **in-person** Summer Programs! All Bootcamp courses and sports will be in-person. Please take note in the course description of the method of instruction.

As schools are resuming in-person instruction, BHEF will continue to assess the safety protocols in accordance with local health agencies for in-person programs. Should our program change to virtual instruction, you will be notified at that time and the Summer Academy will be conducted online using Home Learning platforms such as Google Classroom or Zoom. As always, the safety of our students and staff is our top priority.

## **Middle School Program**

### **TWO-WEEK BOOTCAMP**

#### **COURSE DESCRIPTIONS**

*Courses are open to incoming 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade students.  
Math Review bootcamps are for current 6-8 graders, **as of Fall 2021.**  
Bootcamp courses are not for academic credit.  
(All class offerings are subject to policies and conditions.)*

#### **A Taste of Art**

**Grades: 6-8**

This bootcamp provides students with a variety of introductory art experiences. Students will experiment with a variety of materials, techniques, and processes to create two and three dimensional works of art. All of these experiences focus on developing problem solving and other higher level thinking skills as well as fostering self-expression. Students will also examine a variety of works of art and artists to help them recognize and better understand the artistic cultural achievements of societies. Students will focus on the application of the Elements of Art and Principles of Design in conjunction with artistic behaviors to heighten thought and expression in their artwork. Knowledge gained from studying other artists and cultures will be applied in solving problems in art.

12:00 pm – 1:30 pm, June 13 – June 24, Monday – Friday

**Fee: \$225**

#### **Bridge to Middle School**

**Grades: 6-8**

This course is designed to introduce students to the skills and techniques that will help them prepare for the rigors of middle school. Students will learn how to access digital tools such as Aeries, Google Classroom, and Google Suite (i.e. Docs, Drive, Slides, etc.), which are commonly used at BVMS and other middle schools. In addition, students will hone their organizational, time management, and note-taking skills; learn how to keep an agenda; and learn vital communication skills such as the fundamental conventions of writing, how to talk to teachers, how to self-advocate, and how to structure effective presentations.

10:00 am – 11:30 am, June 13 – June 24, Monday – Friday

**Fee: \$225**

#### **Creative Writing**

**Grades: 6-8**

Creative Writing is an English focused camp that explores short fiction, poetry, storytelling, and polishing and revising skills. Students draft, revise, and polish fiction and poetry through writing exercises, developing familiarity with literary terms and facility with the writing process as they study elements of creative writing. Elements of fiction writing explored in this course include attention to specific detail, observation, character development, setting, plot, and point of view. Students who are already actively engaged writers and readers learn additional tools and insight into the craft of writing to help them further hone their skills and encourage their creative as well as academic growth.

8:15 am – 9:45 am, June 13 – June 24, Monday – Friday

**Fee: \$225**

## English Language Arts Review

Grades: 6-8

This course offers students a refresher of English Language Arts standards providing students with a review of concepts integral to English, such as the different genres of writing, how to communicate effectively, sentence structure, and practical experience with the art of the essay.

**Session 1** 8:15 am – 9:45 am, June 13 – June 24, Monday – Friday **OR**

**Session 2** 10:00 am – 11:30 am, June 13 – June 24, Monday – Friday

**Fee: \$225**

## Math Review

Grades: 6-8\*

This bootcamp offers students with grade-specific reviews of Common Core State Standards for middle school math. Specifically designed for students who want or need support before advancing to the next grade year.

*\*Math Review bootcamps are for current 6-8 graders, as of Fall 2021. When registering, please sign up your child for the class that corresponds to their current grade.*
