*Become a Business  
Sponsor today!*

Since our founding in 1978, the Beverly Hills Education Foundation (BHEF) has donated millions of dollars to our local schools thanks to the generosity of both residents and businesses.

We invite you to partner with us to meet the goals of our mission to fund quality programs to ensure the college and career readiness of our students. Your BHEF Business Sponsorship will provide essential funding to help us sustain and grow important programs that are the foundation of a world-class education.

As a BHEF business sponsor, you will be connecting with over 15,000 BHUSD parents, teachers, staff, and community members. Please see the description of our various business sponsorship levels which provide additional marketing benefits to your business.

If you have any questions please email us at [manager@bhef.org](mailto:manager@bhef.org) or call our office at (310)557-0651 for further information. Thank you for your consideration. We look forward to working with you!
