Summer Enrichment Academy

The BHEF K-5 Summer Enrichment Academy is excited to offer **in-person** Summer Programs! However, as schools are resuming in-person instruction, BHEF will continue to assess the safety protocols in accordance with local health agencies for our in-person programs. Should our program change to virtual instruction, you will be notified at that time and the Summer Academy will be conducted online using Home Learning platforms such as Seesaw, Google Classroom, and Zoom. As always, the safety of our students and staff is our top priority.

The BHEF K-5 Summer Enrichment Academy is proud to provide a variety of Standard Skills Review and Summer Bridge opportunities for K-5 students. The K-5 program runs for **four weeks**, from **June 6 - July 1, 2022**.

Standard Skills Review Courses are designed for students in need of remediation and continued academic intervention support. These courses are for students in English Language Arts and Mathematics. In this program, students will receive both English Language Arts and Math intervention support. The program will offer both individual and small group instruction, as well as support through online computer programs.

Summer Bridge is designed for students entering First Grade in the Fall of 2022. These students will get a sneak preview into their upcoming grade level in an academic, creative, and exciting format.

BHEF Summer Enrichment Academy 2022 K-5 Program

POLICIES AND CONDITIONS

These policies and conditions are subject to change. Please visit www.bhef.org for the latest information.

Refund Policy

All requests for refunds must be in strict compliance with the deadlines below and must be made in **writing** by emailing the Summer Academy at office@bhef.org. **There are no exceptions to this policy.**

If BHEF Summer Academy cancels a course prior to the start of the program, you will receive a full refund. If you wish to withdraw from a course, our Refund Policy is as follows:

- Requests received by **May 13, 2022** will be honored for a partial refund of **50%**, less a **\$100.00** processing fee.
- **No refund requests will be considered after May 13, 2022. No exceptions to this policy.**
- There are no refunds if a student misses class for any reason, including but not limited to quarantine, illness, or vacation.
- The BHEF Summer Academy does not prorate.

Program Information

- The K-5 Summer Academy is a **four-week** program, from June 6 – July 1, 2022, Monday – Friday.
- Students should be registered based on their rising grade level as of **Fall 2022** (except for our Standard Skills Review courses, which students should be registered for based on their current grade level as of Fall 2021).
- The K-5 Summer Academy will be held at Horace Mann Elementary (8701 Charleville Boulevard, Beverly Hills, CA 90211).
- The K-5 Summer Academy is open to all residents, inside and outside of the Beverly Hills Unified School District.
- With regards to COVID-19, please note we adhere to the LACDPH protocols and guidelines in place for the duration of the summer program.

Cancellation Policy

Courses are dependent upon enrollment numbers. Should a course not meet the minimum number of enrollees, the course may be cancelled. In the event a course is canceled by the BHEF Summer Academy, your tuition fees will be refunded in full. If you have any questions, please email the Summer Academy at office@bhef.org.

BHEF Summer Enrichment Academy 2022

K-5 Program

COURSE DESCRIPTIONS

Students should be registered based on their grade level as of Fall 2022.

For questions regarding the K-5 Program, please contact Kevin Painter at kpainter@bhusd.org.

Standard Skills Review Courses

Standard Skills Review

Grades K-5

Standard Skills Review is a grade level appropriate course designed for students to review and continue grade level standards to extend the school year for English Language Arts and Math. In this program, students will review English Language Arts standards through close reading and answering questions. For math, students will do problems with the teacher and practice grade appropriate math facts and problem-solving skills. This is intended to give students a safe space to practice academic skills without being graded.

Students should be registered based on their current grade level as of Fall 2021.

Schedule: Monday – Friday

Kindergarten 8:30 am – 11:15 am

Grades 1-5 8:30 am – 11:30 am

Fee: \$550

Summer Bridge Course

First Grade Summer Bridge

Grade 1

Is your child ready for 1st Grade cognitively, socially and behaviorally? Help him or her make this exciting transition a smooth one. This course is specifically designed for children who will be entering 1st Grade in the Fall. Students will be introduced to academic Grade One skill areas such as **Reading, Writing, and Mathematics**. With a focus on Grade One Common Core Standards, this course will be combined with a variety of thematic-based activities through this interdisciplinary approach. Subject areas will include elements of **Art, Music, Science, Physical Education, and the Cultural Arts**. Students will begin to venture deep into their own imaginations and investigate innovative and creative new ideas.

The classes will include mini lessons with the teacher each day along with practice and enrichment activities. Students will learn strategies and skills that they can continue to **practice throughout the summer** and as they transition to the new school year. As a result, your incoming first grader will enter with the knowledge, foundational skills, and the confidence to be successful.

This course is designed for students who will be entering Grade 1 in Fall 2022.

Schedule: Monday – Friday

8:30 am – 11:30 am

Fee: \$550
