students in our district.

## ANNUAL REPORT | 2019-2020

# Letter from the President

Friends,

The world changed dramatically during the 2019-2020 year. The Beverly Hills Education Foundation (BHEF), like many organizations, had to adapt to the circumstances of the COVID-19 pandemic while continuing our commitment to BHEF's mission to provide vital educational program funding for every grade level at all of our Beverly Hills Public Schools. A mission that has been steadfast for over 40 years.

In 2019-2020, BHEF was again proud to be one of the largest donors to the Beverly Hills Unified School District (BHUSD). Thanks to the generous donations from school parents, community members, and local business owners, BHEF allocated over \$600,000 directly to our two Elementary Schools, our Middle School and our High School. We continued our funding of programs in Arts, Music, Athletics, and each school principal received additional co-curricular funds to finance the individual and innovative programs needed at each school site. BHEF continued our commitment to provided funding for the PBIS (Positive Behavior Intervention and Supports) program to support BHUSD's commitment to providing every student with a safe and nurturing learning environment. As the school district moved to distance learning as mandated by the Governor of California, BHEF met with the BHUSD administration to reaffirm our commitment to support the education of students under the mandate.

Our dedicated donors and business sponsors should be proud in the knowledge that their contributions to BHEF have directly impacted and elevated the educational experience of our BHUSD students. Your donation ensures our students receive a world-class education in the classroom, at home, or online. We remain committed to supporting educational programs that foster a caring and supportive learning environment with state of the art technology while preparing students to meet the challenges of college and their future careers. Because of you and your support, we are able to enrich the lives of all the BHUSD students.

Thank you for continuing to support Beverly Hills Education Foundation and our mission through these uncertain times.

Wishing you good health and wellness,

Cindy Trost  
President
